

## QUEEN VICTORIA MARKET COVIDSAFE PLAN

Last updated: 12/09/22

The safety of our customers and traders is our priority. Queen Victoria Market is a COVID Safe Marketplace, and we ask for your cooperation to ensure compliance with the current level of restrictions. These include:

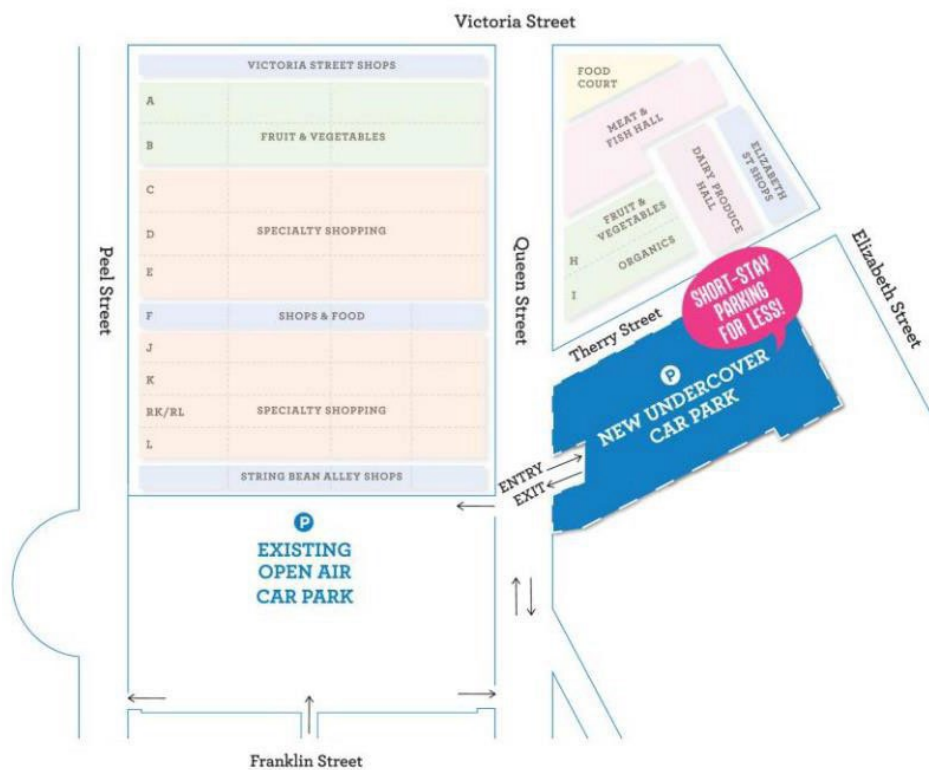

Hand sanitising units remain available throughout the Market.

A fitted mask covering is not required in outdoor event settings but is strongly recommended in circumstances where physical distancing is not possible.

Physical distancing is recommended at all times.

## COVID SAFE CONTROLS FOR QUEEN VICTORIA MARKET

The following COVID Safe controls remain in place:

Fresh produce food and drink traders	OPEN with a COVIDSafe plan. All staff must comply with vaccination mandates.
Hospitality traders	OPEN with a COVIDSafe plan. All staff must comply with vaccination mandates.
Other retail (all non-food and drink traders)	OPEN with a COVIDSafe Plan. All staff must comply with vaccination mandates.
Tours	Operating with COVIDSafe measures <a href="https://qvm.com.au/news/covid-safe-tours/">https://qvm.com.au/news/covid-safe-tours/</a>
Europa Night Market 2022	<p>There are no vaccination requirements for Patrons attending the Europa Night Market event.</p> <p>The existing two-dose and three-dose vaccination mandates for workers on site are still required.</p> <p>Face masks will no longer be required but they are strongly recommended when physical distancing is not possible.</p>
