CREATING AN EXCITING NEW FOOD HALL DINING EXPERIENCE

The Market's Food Court is temporarily closed for major refurbishment works to create an exciting new Food Hall as part of the Market Renewal Program. The new Food Hall will be an inviting and contemporary place to eat, meet and enjoy the Market atmosphere.

During these works, you can explore the Market's many other cafés and restaurants in Victoria Street, E & F Sheds, String Bean Alley, Elizabeth Street, Therry Street, the Dairy Produce Hall and Open Sheds.

We can't wait to welcome you back to our refreshed Food Hall later this year!

MAKING A GREAT MARKET EVEN BETTER

The Market is a hive of activity with the construction of the new Food Hall, the completion of two thirds of heritage shed restoration, as well as the installation of infrastructure to improve access for traders to power, lighting, water and organic waste recycling underway.

Stay tuned for the launch of Testing Grounds as part of the Pop-Up Park in May. The new temporary home of the experimental arts space will host a rotating program of events, workshops, installations, performances and much more, giving you even more reason to visit and explore the Market precinct.
