

MAKING A GREAT MARKET EVEN BETTER

Works to deliver a new Food Hall are underway.

We're constructing a vibrant and unique Food Hall, with more spaces to eat, meet and enjoy the iconic market atmosphere.

The new Food Hall will complement the heritage of the market and include a new roof structure, improved layout with more seating, greenery and added facilities.

The works, being undertaken under Heritage Victoria Permit No: P35301, include:

- New façade and canopy on Queen Street.
- Improved dining experience and layout to maximise seating, including new furniture and landscaping.
- New roof structure to replace the previous canvas 'tent' roof.
- Upgrades to air conditioning, lighting, toilets and new flooring.
- Replacement of the Victoria Street Terraces' slate roof.

Works are expected to be completed towards the end of 2022, with the new Food Hall a major drawcard for the market.

Thanks for your patience as we make a great market even better.

FOOD HALL

Upcoming works

What's happening: June to August 2022

Site set-up and work hours

The east side of Queen Street in front of the existing Food Court will be closed for the duration of works. Through traffic will be maintained during the works via detour on the west side of Queen Street. Works will occur 7am to 5.30pm Monday to Friday and 7am to 3.30pm Saturday.

Service upgrades

Services within the Food Hall including lighting, power, water, air conditioning and fire protection will be upgraded to ensure longevity for hospitality tenants and an improved environment for customers.

Structural and roofing works

Construction of the new Food Hall butterfly roof and Queen Street facade, including construction of structural steel, skylights and facade glazing.

Victoria Street Terraces repair and amenity upgrades

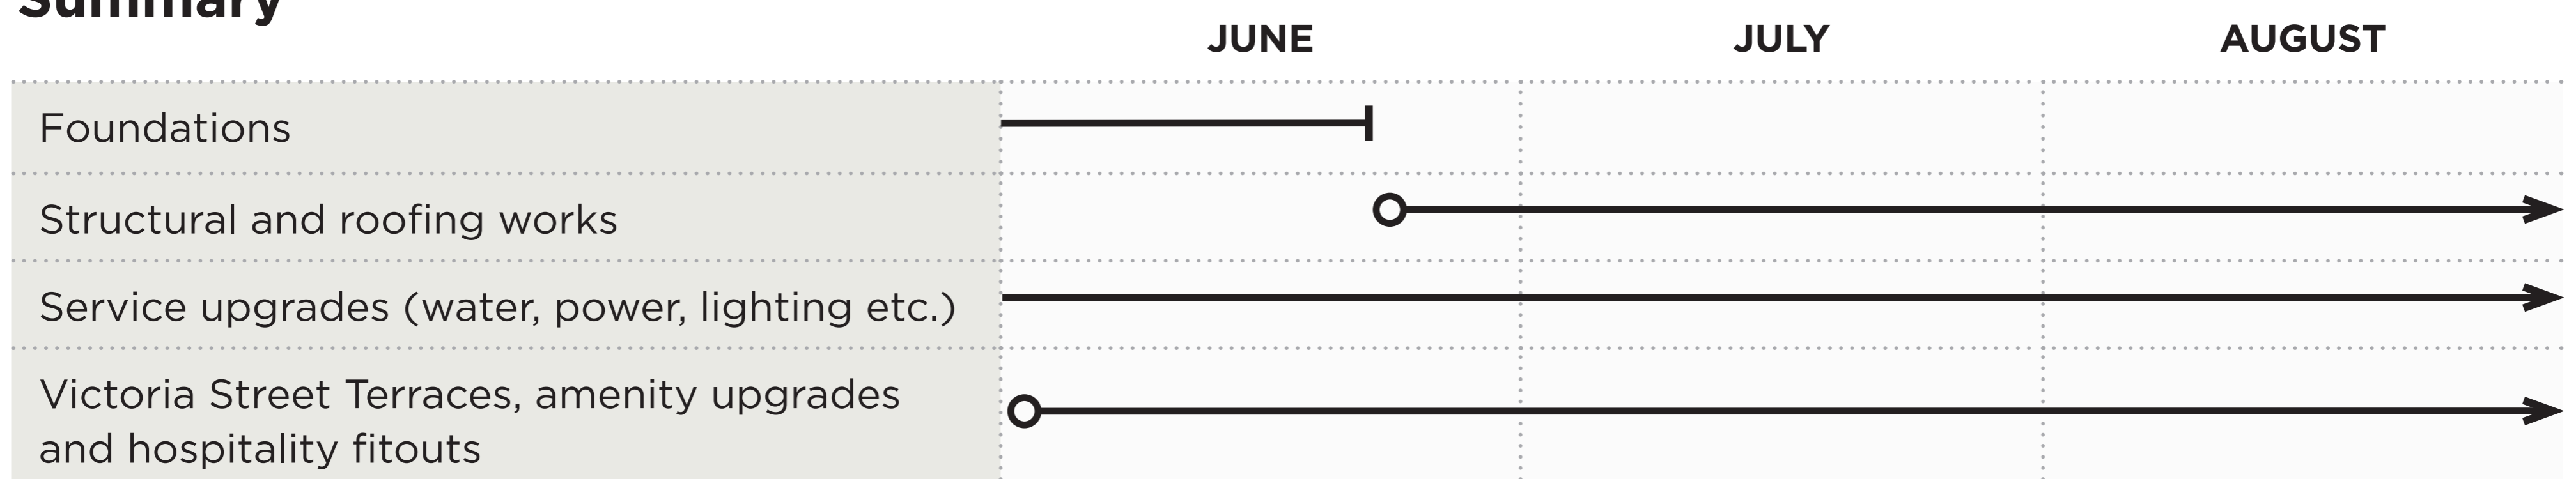

The southside slate roof of the Victoria Street Terraces will be restored as part of this project. Amenities including the public toilets will also be upgraded.

Pedestrian access

The works area is fenced off for the duration of construction and pedestrians will be diverted around the site. Please follow the directions of traffic controllers and use designated footpaths around the site. Thanks for your patience.

Summary

Indicative only, subject to change.
